About Us

Haste was started to exclusively provide Maneurop (France) compressors to the UAE market but has since expanded its portfolio to be UAE's exclusive supplier of internationally recognized Air Conditioning and Refrigeration products from various brands around the globe.

Haste's vision of ensuring seamless availability of all HVAC/R products is the cornerstone of Haste's mission statement. "To be the leading supplier of international high quality Refrigeration products in the UAE market".

Mission

Haste, through its service excellence in a customer-centric business environment, driven by our competent and loyal employees, will continue to expand our refrigeration and air conditioning trading business in the Middle East and Africa. We will consistently fulfill our commitments to our clients and customers in a timely manner, without compromising on quality, health and safety, and environmental standards.

Vision

To be a leader in the refrigeration and air conditioning trading and engineering services business in the Middle East by providing innovative solutions and best-in-class quality services.

Haste Trading Today!

Today, Haste Trading LLC's head office and flag ship showrooms are located in the heart of UAE's refrigeration and air conditioning market in Al Rigga, Deira, Dubai with two other locations in Abu Dhabi's Mussafah Industrial area and in Sharjah's Industrial area. Each location provides Seamless Availability of all our products by ensuring "On the Spot" product availability and Certified Products Specialists available to help with all your specific Refrigeration and Air Conditioning needs.

Our Lineup:

- Thermometers (Industrial)
- Pressure Gauges
- Pressure Switches and Controls
- Condensing Units
- AC Components
- Refrigeration Controls
- Temperature Controls
- Evaporators
- Refrigerants
- Digital Temperature and Humidity Controls
- Reciprocating Compressors
- Chemical Solutions
- Ventilation and Air Curtains
- Surge Protectors
- Scroll Compressors
- Refrigeration Tools and Accessories
- Danfoss Electronic Controls
- Capillary Hoses
- Copper Coil, Pipes and Fittings
- Cold-Room Accessories
